

RD-1400 | PAR 36
LED WORK LIGHT | 1400 LUMENS

Versatile PAR 36 work light.

Delivers 1400 lumens of bright white illumination.

Feature

- 1400 lumens
- 6 LEDs
- Corrosion-proof rubber housing
- Direct replacement
- Stainless steel mounting hardware

Benefit

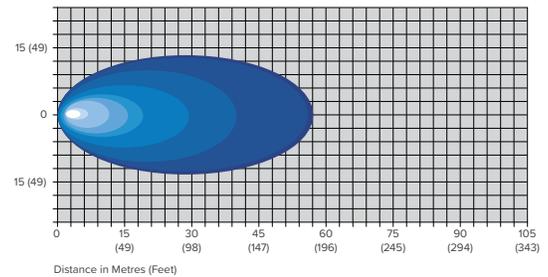

3 times brighter than standard halogen PAR 36.
Energy efficient and long lasting.
Durable and protective.
LED fits into existing PAR 36 housing.
30° tilt range for mounting flexibility.

Specifications

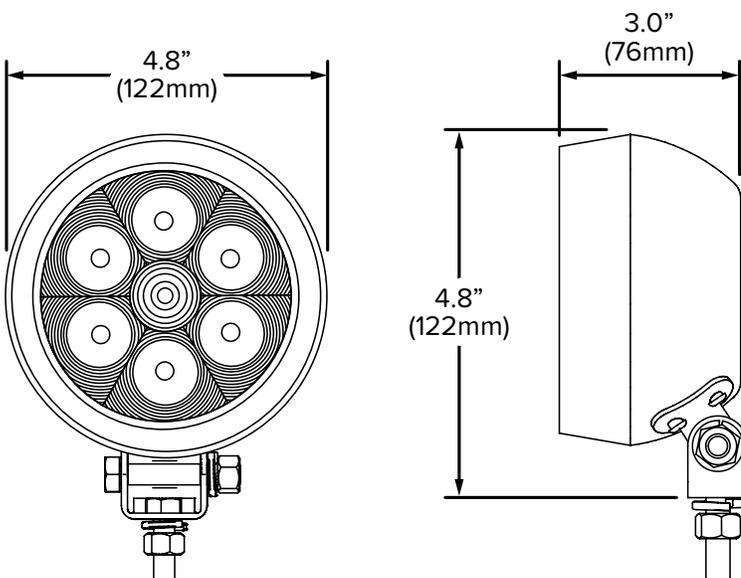

Operating Voltage:	12 - 24Vdc
Operating Current:	0.7A @ 12Vdc 0.3A @ 24Vdc
Power Consumption:	8W
Temperature Range:	-40°C to +85°C
Ingress Protection:	IP66
Weight:	2.0lbs (0.9kg)
External Housing:	EPDM Rubber
Lens:	Automotive Optical Grade Hard-Coated Polycarbonate
Connection:	Bullet
Polarity:	Reverse Voltage Protected
Vibration Resistance:	SAE J575
Mounting:	Stainless Steel U-Bracket and Hardware
EMC Rated:	EMC EN 13309:2010

Beam Pattern

Flood Pattern

Part #	Beam Pattern	Lumens	Operating Voltage
81256/1	Flood	1400	12 - 24Vdc
