

# LED Tail / Stop Light RED

## Features

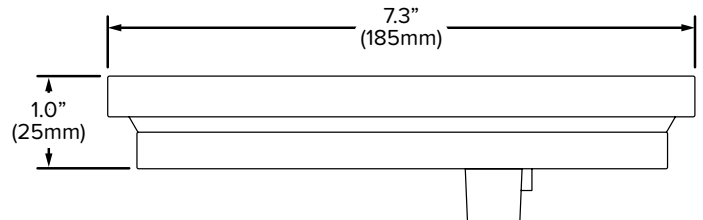

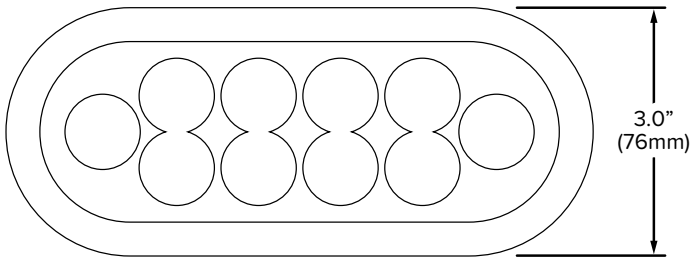

- 10 LEDs
- Includes grommet
- Corrosion proof, shock proof and watertight
- UV resistant polycarbonate lens - helps withstand the damaging effects of the sun and environmental elements

### Specifications

LEDs:	10
Operating Voltage:	12Vdc
Operating Current:	0.3A @ 12Vdc
Power Consumption:	3W
Lens:	Automotive Grade Polycarbonate
Lens Colour:	Red
Compliance:	SAE / DOT

Part #	Description	Operating Voltage
84045	LED Tail / Stop Light Red	12Vdc
